

...glorifying God by becoming more like Jesus Christ
and sharing His love with everyone.

Dear Co-laborers for Christ,

If you are looking for a unique way to share the Gospel while providing wholesome family entertainment for all ages, let me tell you about Captain Escape, a.k.a., Rich Landry. Rich is an active member of the First Baptist Church of Round Rock in everything from children's ministries to service as a deacon. In the past several years, his alter ego, Captain Escape, has been busy performing in churches around the state of Texas and beyond.

Rich's presentation is very funny, very entertaining, and most of all, very Christ-centered. He does Houdini-style escape tricks which leave people scratching their heads, wondering how he did it. He has performed for both our children and our senior adult ministries. Honestly, I can't tell you which group enjoyed him the most! (Do kids ever really grow up?)

He is an excellent and creative communicator. His comedic style and his skill in extricating himself from boxes, bags, handcuffs, etc., make the Captain Escape presentation a unique event that people will remember and want to see again. As his pastor, I am pleased to recommend him to you as a gifted man of God and a friend.

His and Yours,

Dr. Gary Lynn Brinkley
Pastor
